ESCROWS AI

AI native Follow-Up Engine for Commercial Real Estate Agents/Brokers

Problem

Commerical Agents/Brokers :

- Loose Deals in Scattered emails.
- Forget follow-ups with warm prospects.
- Track clients manually in spreadsheets.
- Use 5+ disconnected tools
- Have no real-time deal visibility

There is no AI-native toolkit built for CRE brokers.

Solution

An AI-powered toolkit built for commercial real estate brokers.

Hi,
I'm interested in finding a 5,000 sq ft office space in the downtown area. We're a growing tech company with about 30 employees and we're looking to move by Q2.
Our budget is around $15-20 per sq ft. Do you have any listings that might fit our needs?
Best regards,
Sarah

Business Model

Tier-based SaaS subscription for brokers & brokerage teams.

Starter Tier
$39 / broker / month
1-5 brokers

Professional Tier
$79 / broker / month
6-20 brokers

Enterprise Tier
Custom Pricing
20+ brokers

This pricing allows us to target solo agents as well.

Our Competition

- Transaction compliance platform
- Not built as a broker operating system

- Lead & sales CRM for real estate
- Limited deal execution intelligence

- Strong in contract workflow automation
- Not a full broker operating system
